Programme Management

■ PROFILE

Results-driven programme management and research professional with **7+ years' experience** delivering complex, multi-donor portfolios and research-led programming across **Palestine and Japan**. Demonstrated track record in end-to-end project management, multi-stakeholder coordination, budget oversight, and results-based monitoring (**RBM/MEAL**). PhD-trained and internationally **award-winning researcher** with deep expertise in civil society, governance, and knowledge management in conflict-affected and fragile settings. Published in leading peer-reviewed journals; recognized for translating rigorous evidence into actionable, policy-ready insights.

■ PROFESSIONAL EXPERIENCE

JSPS International Research Fellow

Graduate School of Economics & Management, Tohoku University (Japan)

2025 – Present

Lead a competitively awarded JSPS grant-funded research project end-to-end: stakeholder engagement, fieldwork design, IRB/ethics compliance, and on-time delivery of all outputs. Manage the KAKENHI project budget (¥3.5M+), monitor expenditures, and report to the funding body. Produce peer-reviewed manuscripts, policy briefs, and conference presentations.

Postdoctoral Researcher

Graduate School of Economics & Management, Tohoku University (Japan)

2024 – 2025

Produced peer-reviewed manuscripts and international conference outputs; synthesized qualitative evidence into decision-ready publications. Supported research administration, grant coordination, and documentation to ensure timely delivery of all deliverables.

Assistant Professor

Arab American University (AAUP), Ramallah

2024 – 2025

Designed and delivered three university courses end-to-end: curriculum development, student assessment, and administrative reporting. Coordinated with faculty and administration for smooth implementation.

Teacher / Research Assistant

Tohoku University (Japan)

2022 – 2024

Coordinated logistics and documentation for seminars, workshops, and two flagship annual conferences. Managed agendas, minutes, and follow-up tracking. Contributed to data organization, drafting, and quality assurance for publications and presentations.

Junior Project Officer

DCAF – Geneva Centre for Security Sector Governance, Ramallah

2018 – 2020

Supported planning, implementation, and monitoring of a **multi-donor project portfolio** (FCO, CASIP/DFID, German-funded) focused on **security sector reform and governance strengthening** in Palestine:

- Managed **RBM reporting cycles** and **MEAL frameworks**, tracking results and indicators across parallel workstreams to ensure donor compliance and evidence-based programme adjustment.
- Coordinated **40+ workshops, trainings, and high-level conferences** end-to-end — from concept notes and venue logistics to participant management and post-event reporting.
- Drafted and processed **50+ ToRs and contracts** for consultants, service providers, and institutional partners; contributed to **5+ narrative and financial reports**.
- Led **budget tracking and expenditure monitoring**; managed procurement and contracting workflows in line with DCAF and donor regulations.
- Served as **security focal point**, maintaining duty-of-care protocols and emergency procedures across the West Bank.
- Maintained complete **compliance documentation** and audit-ready project files; consistently met tight deadlines across high-pressure, multi-project environments.

Academic Fellow

Al-Quds Bard College, Jerusalem

2016 – 2017

Supported programme administration for international cultural initiatives: admissions, registration, record-keeping, and accreditation documentation. Coordinated ESL and professional development workshops.
